4. Read and recorded the Government Proceedings No. 7662—L. F. 64-94 of 7th January 1897, passing orders on the question of opening a dispensary at Kadaba in the Gubbi taluk.

5. Read Executive Engineer's docket No. 1116 of 10th October 1896, forwarding for decision of the Board his office file ending with Chief Engineer's No. 5079 of 24th September 1896, regarding the widening of the Yediyur-Tiptur road, where it passes on the Ammaldevarahalli tank bund. The Chief Engineer observed that the estimate for the work at a cost of Rs. 1,568 seems sound and, that as it is a fair charge to the District Fund rather than to the Irrigation Cess Fund, requested the Executive Engineer to represent the circumstances to the Board and submit proposals.

Resolved that only Rs. 700 can be paid from the District Funds as the proposed road below the bund will cost only as much and not more. The Government should be requested to pay the remainder of the cost from the Irrigation Cess Fund.

6. Read Executive Engineer's docket No. 1339 of the 11th December 1896, forwarding for approval an estimate for Rs. 152 for repairing the travellers' bangalo and out-houses at Huliyar.
